College Fair Highlights

KL will host the annual college fair across its Chinese partner schools to bridge college representatives with our students and parents, as well as build long-term connections with college counselors. During the fair, you will meet thousands of students from the 7 KL schools across China and their parents. We incorporate a variety of events into our fair to ensure maximum engagement, including campus tour, college presentations, panel discussions, booth tours and counselor workshops. Our events are interactive, engaging and fun for both students and university representatives.
